Internship: CRAVITA TECHNOLOGIES INDIA PRIVATE LIMITED, PUNE.

Full Stack Development Intern, As an Intern Jr. Software Engineer, I'll be diving into various exciting projects and gaining hands-on experience in Full Stack Web Applications development. (Duration: Jan 2024 to June 2024)

Project:
Project 1
Project Title: RideShareX

Description: The scope of RideShareX encompasses the development of a fully functional ridehailing system with web and mobile interfaces, catering to both riders and drivers. The system will include features for user registration, ride booking, real-time tracking, payment processing, and safety monitoring. The focus will be on creating a scalable, reliable, and secure platform using Spring Boot for backend development, with modules for user management, driver management, ride management, payment integration, safety, and administration. While the project may incorporate additional features and enhancements in the future, the primary objective is to deliver a stable and feature-rich solution that meets the needs of commuters and travellers in today's fast-paced world.

Project 2
Project Title: Digital Assistant for Legal Awareness and Designing KYC Framework in India.

Description: Legal awareness refers to an individual's understanding and knowledge of the law, legal rights, and obligations within a given jurisdiction. I am making a family law, legal rights related digital assistant. Technology Used: HTML5, CSS3, JavaScript, Bootstrap. Users: user can use yourself to know a family law, legal rights related. **Journal Paper Published in the IJSREM Journal on Volume 07 Issue 12 December, 2023.**

Extra-Curricular Activities:
- E-YANTRA competition IIT Bombay to submit problem statement at 3rd Level.
- SPM (Software Project Management).
- Discipline head for ACES student council 2022-23.
- Treasurer Team Member for ACES student council 2022-23.
- Co-Ordinator for CSE at department.
- ELEMENT OF MECH. ENGG. (TECHNICAL) with 70 marks in 10th class.

Personal Competencies:
- Ability to work in a fast based environment to set deadlines.
- Excellent oral and written correspondence with an exceptional attention to detail.
- Enthusiastic self-starter who contributes well to the team.

Soft Skills: Good Analytical Skill, Teamwork, Critical Thinking, Team Building, Group Decisions.

Languages: English, Hindi, Marathi, Marwadi. **Hobbies:** Writing, blogging, Chess, Cricket, Travelling.
